SECTION 1 GENERAL

1.1 ADMINISTRATION

1.1.1 Mission Statement

The mission of the Sunshine Coast Minor Hockey Association (SCMHA) is to promote respect, sportsmanship and skill development in players of all levels. Through a shared responsibility with parents, we are committed to provide a positive hockey experience in a safe environment.

1.1.2 Introduction

The SCMHA is a non-profit organization formed in 1961, and incorporated as a non-profit society in the Province of British Columbia on May 13, 1968.

The Association concerns itself with the interests and aspirations of young hockey players. The constitutional framework stems from the Society Act for the Province of B.C.

The funding for its activities comes from player registration fees, fund raising, gaming grants, sponsorships, and donations.

1.1.3 Membership

Membership is made up of parents/guardians of boys/girls properly registered and in good standing in the Association.

1.1.4 Membership Fees

Membership fees are \$1.00 per family and are payable at the time of registration

1.1.5 Development of Policy and Procedures

The development of policies and procedures is an ongoing process. Members wishing to request additions, deletions and/or alterations can be made at the AGM, or any General or Executive meeting by completing a "Notice of Motion" form. (Appendix 1)

A Notice of Motion form intended for an Executive meeting must be forwarded to members of the executive a minimum of 48 hours prior to the meeting.

In specialty circumstances, when 48 hours' notice is not possible, and the postponement of the motion will be detrimental to the running of the organization, the president, or designate, may allow a motion without 48 hours' notice.

A notice of motion intended for a general meeting must be forwarded to the Secretary 30 days prior to the meeting.

The Secretary will forward the motion to members of the executive within 10 days of receiving it.

The Secretary will notify the membership via email, posting information on the website and in each arena 15 days prior to the AGM thus giving the general membership notification of the upcoming motion.

Roberts Rules of Order are used to move motions.

Executive may suggest additions, deletions and/or alterations by bringing these changes forward to an Executive meeting. Discussions would occur and changes would be voted on through the standard motion process at Executive meetings.

1.1.6 Mailing Lists

SCMHA does not provide mailing lists of association members to commercial businesses.

1.1.7 Requests for Player Information

Hockey Canada, BC Hockey and SCMHA do not supply player information to other external organizations or individuals. Requests for player information by other organizations or individuals will be passed on to the respective parent/guardian.

SCMHA provides Epect with player names and email addresses for the purpose of contacting the family to collect and store their BC Hockey Medical forms. Medical information is provided solely at the players and parents discretion.

SCMHA uploads completed Baseline Assessments to players' Epect accounts for use by designated team officials.

1.1.8 Booking, allocating and/or canceling of ice time:

Only the Ice Scheduler or designate has the authority to book, allocate and/or cancel ice time. Teams wishing to cancel practices or games must give the Ice Scheduler 48 hours notice as well as notify the Ref Assigner, in the case of games. Failure to do so may result in a fine equal to the cost of the ice rental, and any reffing costs accrued due to refs not being cancelled.

1.1.9 Sanctioned Events and/or Activities:

Hockey Canada and BC Hockey define Sanctioned Events as "Travel To/From Arena; Use of Dressing Room pre/post game or practice; Ice time for practice or games"

All events or activities carried out under SCMHA name must meet with the approval of the Executive Committee or designate.

Any events or activities carried out without approval of the Executive Committee or designate are not sanctioned by SCMHA.

Liability for unsanctioned activities becomes the responsibility of participants and activity organizers.

In order to have an event sanctioned, teams must make application [Special Events Form] to BC Hockey/PCAHA

Association disciplinary action may apply to members organizing or taking part in unsanctioned activities or events.

All teams must obtain proper insurance coverage as per PCAHA/BC Hockey rules for dryland training, tournament attendance, fundraising, team building activities, etc. [see BC Hockey list]

Failure by coaches or players to wear a CSA approved helmet with chin strap fastened will result in BC Hockey pulling their sanctioning of the event and are not covered by insurance.

1.1.10 Meetings

Executive meetings are held the third week of each month throughout the year; or another approved time; and/or at the call of the President or designate.

In camera meetings are to be held at the discretion of the Executive.

The Annual General Meeting (AGM) will be held on or prior to May 31 of each year as per Part 3- 18 of the Constitution and Bylaws.

1.1.11 Correspondence to and from SCMHA members

The Secretary will create, on a yearly basis, a file for incoming correspondence from the membership and a file for outgoing correspondence to the membership.

Upon receipt of correspondence from the membership by any representative of the executive a copy of said correspondence will be immediately filed.

Upon sending of correspondence to the membership by any representative of the executive, a copy of said correspondence will be filed.

All correspondence to and from the membership must be included in Executive Officers reports at the next executive meeting.

1.1.12 Confidential Files

Confidential files will be kept in a locked filing cabinet in a secured location. Keys will be held by the President and the Secretary.

The Risk Manager is responsible for the secure storage of data related to CRC submissions.

1.1.13 Executive Confidentiality

Consistent with Roberts Rules of Order, all business conducted by the Executive Committee is confidential and known only to the members present: this applies to all discussions and associated communications including emails, email attachments, and draft meeting minutes prior to approval.

All Executive Officers will make available to the Secretary prior to the first Executive Meeting a secure email address that only they have access to that will be used for all email correspondence with that Executive Officer.

SECTION 2 REGISTRATION

2.1 REGISTRATION

No player may participate in Association activities unless he/she is fully and properly registered.

The Executive Committee, with recommendations from the Finance committee will set registration deadlines, registration fees and fee due dates.

A player is registered when a completed registration form has been filed with SCMHA and BC Hockey, and all money is paid in full.

Early bird registration is from June 1st- June 30th. Registrations after this date will pay regular registrations fees and are on a first come, first fully registered basis and will not be guaranteed association membership.

All registrations must be accompanied with a minimum \$100.00 deposit and post- dated cheques for residual. (July 30, August 30 of the current year is acceptable)

All 'A' player fees will be paid on or before November 1st

When penalties and/or suspensions occur at the end of the season and carryover to the next season, players are not eligible to play until all penalties and suspensions incurred are served from team declaration date or registration, whichever is the latter.

2.2 PLAYER MOVEMENT BETWEEN LEAGUES

The Board of Directors will give direction of team sizes based on registrations, all movement must take into consideration overall team sizes.

2.2.2 A Hockey

Any SCMHA player wishing to try out for A Hockey as an underage player may be permitted to do so. There is no deadline for "A" players to request to play on a higher team than their age group

The decision of the team makeup rests with the Coach and is approved by the Coach of the team the player is trying to join.

"A" players are not required to make a try out if there are extenuating circumstances ie Injury or being released from BCEHL etc.

2.2.3 C Hockey

Athletes wishing to play in divisions above their age group must submit a request form before the start of the season to allow for team make up decisions.

Evaluators will observe the player's performance during a minimum of 2 practices. These evaluators will meet with coaching staff knowledgeable of the players past performance.

To be considered for a move up in division, the following will be considered for each request:

- Demonstrate equal or better skill for the division moving to
- Demonstrate appropriate maturity for the division moving to
- Not displace another player from the new team
- Not restrict the associations' ability to form teams.

No player will play or practice on two different teams or divisions.

All moves are subject to PCAHA approval.

SECTION 3 FINANCIAL

3.1 DISCOUNTS

Registration fee discounts are available to families registering and paying for, three or more children as follows:

- The two oldest children will pay full rate (early bird or regular depending on date of registration).
- The discount will be applied to the third youngest and any subsequent younger children.
- Any children receiving free registration are not included in the total number of children registered.

Goalies (U11 & up)

- Goalies who provide their own equipment will be charged a reduced registration fee of \$150 as per the SCMHA goalie development plan.

Registration fees for players moving from another association will be pro-rated.

If numbers allow or as openings become available, late registrants (paid in full) will be granted membership on a first come basis.

3.2 REFUNDS

Players requesting a refund will be:

- refunded the registration fees less a \$25.00 administration fee,
- and less a pro-rated charge for each month of participation within the association. NO REFUNDS will be issued after December 31 of each year.

3.2.2 Hardship Applications

SCMHA recognizes the costs involved to provide a program of hockey to our youth and carefully considers fees charged to parents. It is recognized from time to time that these fees may be prohibitive to the child being able to play.

If parents are experiencing financial hardship and wish to apply for assistance from SCMHA the following process should take place:

- parent/guardian should apply for funding all external sources-applications and information are available on our website. Visit [HTTP://SCMINORHOCKEY.COM/](http://SCMINORHOCKEY.COM/) copies of faxes, applications and any correspondence should be kept
- If all available resources have been exhausted and families are not able to pay fees they should fill out the Application for Financial Assistance, which can be found on our website.
- Submission to the Registrar should include proof of attempts to get funding.
- the Registrar will present the application to the Executive who will review the application and the Registrar will communicate decision to the family.
- any SCMHA funding will cover basic hockey fee only, not rep fees.
- families should recognize that funding comes with an expectation that the player will “pay it forward” by giving back to the association and community in some way.

3.2.3 Reimbursement

SCMHA will reimburse transportation/ferry costs to BC Hockey mandated courses if no course is being offered on the Sunshine Coast for that year.

Participants are expected to carpool when possible to reduce costs to the Association.

Transportation and course reimbursements will not be processed until ALL components of the course are completed

Association members will be reimbursed for all expenses necessary and reasonably incurred while negated in the affairs of SCMHA.

SCMHA will pay for all on ice helpers insurance fees if they are under 18 years old. All adults pay their own insurance fees, unless team or Division require helpers that are not coaches.

3.3 REMUNERATION OF ELECTED OFFICERS

No Director may be remunerated for acting as a Director but either a Director or an Officer may be remunerated for acting as an Officer at the discretion of the Directors, and a Director or Officer shall be reimbursed for all expenses necessarily and reasonably incurred by him/her while engaged in the affairs of the Association.

3.4 FUNDRAISING

3.4.1 Guidelines

All teams may raise funds for their respective team. It is recognized that the funds raised are to be used for the betterment of the team as a whole. Team fundraising should be done using the Specific Team name. All fundraising activities must adhere to the

guidelines set forth in the Fundraising Policy.

The SCMHA Director, Ways and Means will also organize and hold fundraising activities for the betterment of the association. These will include raffles, 50/50's, special events, tournaments and other activities.

All fundraising initiatives must have the approval, prior to being implemented, of the executive of the SCMHA.

Direct public support can be requested through activities such as car washes, candy sales, bottle drives etc.

Many local business and corporations make substantial contributions to our Association through the sponsorship of teams, tournaments and Association programs. The Director, Ways and Means may provide a list of these sponsors. Teams should NOT approach these sponsors for additional funding or donations.

Specific team sponsorship is by permission only from the Director, Ways and Means. 15 days notice must be given to seek approval with a list of prospective businesses to be asked.

Teams will not be permitted to fundraise under SCMHA Gaming License without special executive permission. For provincials or other special circumstances

All fundraising programs must be well supervised and controlled.

All profits from individual fundraising programs are deemed to belong to the team.

Teams may plan, budget and fundraise for the following purposes:

- Tournament team registration fees.
- The cost of hotel/motel accommodations at an away tournament.
- Team jackets, team sweat suits, hats equipment bags, etc. provided they meet executive approval.
- Dryland Training
- Provincial Championships.

Fundraising for any other items not mentioned above must be approved by the executive of the SCMHA.

Teams must maintain accounting for all funds raised and spent at the end of the year. Reports to be submitted to the Ways and Means Director.

Should a player leave a team he/she shall forfeit any rights to any funds. At no time shall funds be returned to a player or parent

3.4.2 Sponsorship

Sponsorship Funds will be sought for Association benefit by the Director of Ways and Means.

A sponsorship is defined as a mutually beneficial exchange, whereby the sponsor receives a benefit of reciprocal value in return for providing cash and/or products and services in kind to the Association. Sponsorship dollars are not designated to a specific team, but allocated to the Association.

Sponsorship opportunities are available. (See appendix 12).

Sponsorship is not permitted for teams, unless permission is given by the Ways and Means Director

Teams should not approach sponsors for any donations, whether it be financial or product donations without permission by the Ways and Means Director

Director ways and means will follow up with invoices, renewals and sponsorship tracking

3.4.3 Gaming Activities and Funds

The SCMHA Teams will not be permitted to fundraise under SCMHA Gaming License without special executive permission. 30 days written notice of request required. Approval will be limited and based on special circumstances only. Teams will not hold Gaming Licenses under the SCMHA profile.

The use of 50/50 fundraisers and raffles is governed by the Lottery & Gaming Act of BC and requires a level of handling and management that requires the knowledge and scrutiny of the Board of the Association. The improper organizing and scrutiny of 50/50 Fundraisers puts at risk the gaming grant- approximately \$50,000 --- given to the Association by the Province of British Columbia on an annual basis.

While considering a benefit to an individual team it does put the wider membership at risk if not done properly. Failure to comply with this policy will result in sanctions and penalties levelled against teams and individual members.

IF a gaming license special request is approved by the Board as per above, the following process must be followed:

- Team Event--Team Manager will be responsible for the application
- Application will be submitted on behalf of the team, and not under the umbrella of the SCMHA.
- All requirements of the Gaming Policy and Enforcement Branch must be adhered to. www.gov.bc.ca/gaming.
- Please use their web site to determine which Class of license you will need. (Generally a Class D or a Class B)The cost of the license is to be paid by the beneficiary of the event.
- A copy of your Government Gaming license must be on file with the Director, Ways and means prior to the date of your event.
- Gaming Event Revenue Report (GERR) must be submitted within one month of the completion of the event.
- A copy of the completed GERR is to be turned into the Director, Ways and

Means.

3.4.4 Funding Assistance for attending Provincial Championships

SCMHA will cover up to a maximum \$400.00 per player if their team makes the provincials (hotel, ferry, banquet, pass).

The requirement is that players who received the assistance work with the Ways and Means Director to give back and volunteer in the next season and volunteer at minimum two development opportunities

5.4 GAME CONFLICTS AND RESCHEDULING GAMES

SCMHA follows the guidelines in Section G - Game Times and Schedules, of the PCAHA Rule Book for your team's Division. Subsections 11, 12, and 13 specifically cover rescheduling games and game conflicts.

The Team Manager is responsible to review his/her teams schedule carefully to make sure the game dates and times work for his/her team and identify any potential travel issues: for example, ferry schedule conflicts for early/late games.

There may also be game conflicts such as two games on the same day or a home and away game on the same night. If this happens it is up to the Home team or team designated by the League Manager to reschedule their game.

Reschedule conflicts as soon as you receive the schedule. If this process is delayed, it becomes very difficult as there are typically few options remaining. If your team is the visiting team and the home team does not call you within a week of the schedule being issued, call them.

5.5 CONFLICT GAMES

It is the Team Manager's responsibility to resolve conflict games. There are three steps that must be taken:

- If you have weekday (after 6pm) or weekend practice ice (see PCAHA rulebook Section G), you may be able to use your practice ice to resolve a game conflict.
- If you do not have a suitable practice ice, contact the Ice Coordinator to check the options for rescheduling your game. This typically means trading your conflicting home ice time for some other time.

After the Ice Coordinator gives you some options, call the Manager of the visiting team and offer the alternative(s) that are available. When a rescheduled time is agreed on, confirm the change with the Ice Coordinator.

The League Manager must be informed of the schedule change.

Note: if you have offered three options to the visiting team and they have not accepted one of the times, contact the League Manager and advise them of the situation. The onus may then be put on the visiting team to provide a game slot.

Call or send an e-mail to the Referee Assigner and arrange to have referees for the rescheduled game time. A minimum of 72 hour notice is preferred.

In most circumstances the Home team is responsible for rescheduling a conflict; however, the League Manager who makes up the schedule may occasionally designate the Visitor as the team that must resolve the conflict. This is sometimes done to equalize the rescheduling burden. The League Managers generally use an asterisk or some other mark to note which team has to reschedule: check these and do not automatically assume that if you are the Home team the conflict is your problem or vice versa.

5.5.2 Reschedule Request

At times, teams within your group or flight will request a league game reschedule even if it is not a designated “conflict” game. This can be for various reasons; attending a tournament, players sick or away, too close to the holidays, etc. - some reasons are more valid than others and you should review Section G (11 and 12).

It is clear that scheduled PCAHA league games take priority over any of these “requests”. Keep in mind that both teams need to agree to a reschedule and this should be done at least 72 hours prior to the originally scheduled time. At the same time, there is an expectation that you take a reasonable approach and try to accommodate the other team if at all possible, it may be you that is asking for a favor the next time.

If you find the other team’s request to be unreasonable or they are non-cooperative it is best to seek advice from your SCMHA Division Coordinator and/or your PCAHA League Manager.

5.5.3 Tips for Team Managers:

- Notify the SCMHA Ice Scheduler as soon as conflicts arise.
- It is best to maintain a professional and cooperative approach to resolving scheduling conflicts.
- Maintain communication with your head coach as they may have preferences

for game times. If in doubt, check with your head coach before committing to alternate game times.

- Address your team's schedule as soon as possible starting with the most recent games.
- Take a progressive, logical approach. Most often, being proactive and patient will work in your favor.
- Don't agree to anything that is unreasonable or will disadvantage your team, there's always another way.
- Keep your team informed of the upcoming games; however, to avoid confusion, don't distribute the full schedule until all the conflicts and reschedules have been resolved.
- Make sure your rescheduled games are correctly communicated to your league manager for entry into Team link as soon as possible. Verify changes have been entered correctly: gametime, location, date, etc. This will avoid problems with game sheet entry.
- Confirm final rescheduled game times with the Ice Coordinator and Referee Assigner.

See PCAHA rule book for full details regarding game times and schedules.

SECTION 6 U7/U9 PROGRAM

6.1 INTRODUCTION

Hockey 1 to 4 is a program for beginner hockey players, developed in Canada and used around the world. It concentrates on the progressive development of fundamental skills such as skating, puck handling, passing and shooting

The Hockey 1 to 4 program emphasizes teamwork, constructive activity, fitness and fair play.

It does not focus on power plays, penalty killing, breakouts or other strategic theories. It recognizes these skills are better taught once athletes have achieved high competency in fundamental skills.

Fundamental skills are best taught in a fun practice as opposed to the traditional hockey game.

Hockey Canada has mandated all Hockey 1 to 4 aged players use a cross ice model for practices and games. All SCMHA coaches must adhere to these policies.

6.1.2 Hockey 1 & 2

Emphasis is on fun and skill development.

Young athletes must be 5 years of age by Dec 31

Every effort is made to maintain a 5:1 ratio of skaters to coach.

All Hockey 1 & 2 teams receive a minimum of an hour of ice time, twice a week.

Maximum ice time, fun and skill development is achieved when all players are on the ice participating, during any game or station activity.

6.1.3 Hockey 3 & 4

Emphasis is on fun and skill development.

Young athletes are 7-8 years old.

Every effort is made to keep a 6:1 ratio of skaters to coaches.

Two (2) teams share a minimum of 1 hour of ice twice a week.

Full ice drills as well as a full ice integrated station approach is used to teach skills. Athletes from both teams rotate through stations manned by well prepared coaches.

Teams will not be formed until/around October 15.

6.1.4 Hockey 3 & 4 Games

All games times shall be as per PCAHA Rules and Regulations – Section G, as it relates to the overall game duration as well as the times for each period.

No scores or penalties

Please see PCAHA Cross – Ice guidelines for the current season

8.1.4 A League Try Out Process

A meeting with the Head Coach and the A Coaches will be held in August prior to the start of the try out process, to review the process and clarify that evaluators are in place.

Independent evaluators need to be present at all try outs to provide an unbiased evaluation of each players skill set based on Hockey Canada’s National Skills Testing Criteria.

The evaluators will not have any direct affiliation with the team or any players trying out.

Players will be provided with a numbered jersey for the duration of the tryout process and will wear that jersey at all practices and inter-squad evaluation games.

Evaluators will not have any of the player's names on their evaluation lists – they will only have a list of the jersey numbers to be assessed.

Evaluators will be provided with a clipboard and evaluation sheets with the numbers of the jerseys given out to players (no names)

Coaches will review the evaluator's data and make the final decision on players for his/her team.

It is recognized that the coaches may be looking for players who possess a certain skill set and a positive work ethic and attitude.

Coaches must be able to justify their selection decisions to the Head Coach or Director of Hockey Operations

Each tryout will be limited to a maximum of 36 skaters initially in order to allow for proper evaluation. Due to the numbers of players trying out, there may be initial cuts made prior to the 4th ice session.

The A Coach in consultation with the Director of Hockey Operations may reassign a player to the C level at any time during the tryout process, if in his/her opinion the player is not suitable to play at the A level.

There will be a meeting at the start of the tryout process with all the parents outlining what the process will be.

Parents are not to have any discussion with the Independent evaluators during the A evaluation process in order to maintain transparency and objectivity.

An exit meeting will be held with each player and their parents/guardian to discuss their strengths and weaknesses and what they need to improve on in order to be able to achieve their goals in the future.

Exit interviews should take place face to face and held in an area away from the rest of the players

Exit meetings should not take place in the officials rooms

Every effort should be made to ensure that once a child has had their interview, they are not subject to questions by their peers. For example players leaving the interviews should not have to pass by players waiting to have an interview.

Players should be asked not to discuss the outcomes with other try-out candidates until after they have left the facility and a formal email has been sent to all by the coaches.

8.1.5 A Team Roster

The A teams are not fully set until January 10th as set out in the player movement rules of PCAHA. Players may be reassigned from the A team to the C teams, or from the C teams

to the A team at any time prior to this deadline. However, if this is to happen, the A coach or manager must discuss this decision with the division C coaches and Division coordinator prior to informing the player and parents of the decision to ensure all team officials involved are prepared to support their team and players through this transition. The player and his/her parents will be informed of the reason for the movement prior to this taking effect. See PCAHA rules Section C 15. And 20 d for further specific details regarding the addition/deletion of players to/from A teams.

SECTION 9 COACHING

9.1 COACH/COACHING MODEL

The National Coaching Certification Program (NCCP) is the development model used in the development of SCMHA coaches.

9.1.2 Financial Commitment to coaching development

SCMHA is committed to coaching development understanding that skilled coaching by well- trained coaches is fundamental to a successful Minor Hockey program. To this end, the SCMHA's annual budget will reflect this commitment.

Clinics, workshops and/or seminars will be offered throughout the year through BC Hockey and Hockey Canada.

Coaches wishing to participate in coaching development beyond what is offered locally may apply for SCMHA sponsorship or reimbursement

For Coach Job Descriptions please see Appendix 3

9.1.3 Coach Recruitment & Selection

The recruitment of coaches is the responsibility of the Head Coach, if the role is fulfilled.

After the appointment and throughout the summer months, coordinators will continue to recruit coaches in their respective streams, encouraging prospective coaches to apply for positions.

The Association will also put out a call to the membership for interested parties to apply for Head Coach positions, with a deadline date attached

The Coach Selection Committee will meet to review the applications, interview if necessary and make recommendations.

Once teams are assigned to coaches, and additional assistant coaches are identified those coaches will be required to fill out the application form and submit it so that it is on file.

Applications will remain on file for two years

Coaches must submit a CRC every year

Coaching applications can be found in Appendix 4 of this manual

9.1.4 Coaching Evaluation

SCMHA believes that coaching is a perpetual learning experience.

Coaching evaluation is an integral part of building and ensuring the best possible coaching for our players.

Coaches require constructive feedback from other coaches, parents and players to support their learning experience.

Coaches, parents, players and association representatives may be asked to evaluate SCMHA coaching once a year at the end of season.

9.1.5 Coaching Certification Standards

Sunshine Coast Minor Hockey will support coach development. Coaches are required to complete certifications as per Hockey Canada Guidelines

9.2 ON ICE HELPERS

From time-to-time minor hockey teams enlist older hockey players or other volunteers to assist with practices, scrimmages and other activities. It is important to ensure that insurance is in place by following the below guidelines:

Any on-ice helpers must be a current registered member of BC Hockey / Hockey Canada.

If the individual is not currently registered through a minor association, junior team, senior team or as an associate member, the association wishing to have this person help must register the individual

Any helper who is not a BC Hockey minor or junior player must have certification in Respect in Sport (RIS) and a current CRC. Additionally, they must be under the direct supervision of the certified team officials.

Non-Members offering coaching or other on-ice help for a fee is not a volunteer, and must become an associate member prior to participation. A person working in this capacity should not be rostered with an MHA Volunteer team

9.2.2

SECTION 10 RISK MANAGEMENT

10.1 OVERVIEW

The process by which an organization identifies, assesses controls, eliminates and/or minimizes the risk of injury or financial loss arising from its activities.

Hockey by its nature has inherent dangers. There is always the risk of personal injury. For this reason strategies to reduce the risk of injury are mandatory.

10.2 RISK MANAGEMENT COORDINATOR

The Risk Manager will serve a two year term on the executive committee as a Director and will be voted into office at the AGM. For Job Description please refer to the Appendix 3

10.3 INSURANCE

10.3.1 Insurance

Hockey Canada provides additional insurance for injured members (players, referees, coaches, managers, trainers, minor officials etc.). The insurance assists when injury expenses are not covered by the medical and/or dental plan(s) of the member or her/his parents.

SCMHA players are not insured until registration fees are paid in full. For this reason players are not allowed on the ice until fees are paid in full.

10.3.2 Insurance coverage details

It is the responsibility of the parent of the child or the individual injured to file a claim with BC Hockey within 90 days. The team HCSP or the Risk Manager can help with the filling out of the form and any questions that arise from it. BC Hockey Injury Report forms are included in each team's first aid kit supplied by the Risk Management Coordinator.

The insurance only covers sanctioned events such as direct travel To/From rink, On Ice time (games/practices) and pre/post game/practice time in the Dressing Room.

Non-sanctioned events have no insurance coverage and are not authorized by SCMHA, PCAHA or BC Hockey unless a Special Events application for the event has been obtained (Dryland Training, warm-ups outside of the dressing room, fundraising, chalk talk, team gatherings, community events, etc. are not sanctioned events – see BC Hockey's list for more details).

Out of Country travel is not sanctioned unless team have been approved under an Inheritrix& USA Hockey Tournament Travel/Exhibition Games Sanction Request Form and have obtained additional insurance coverage for travel.

Any activities offered by Entrepreneurial or Private Instructors/Groups are not sanctioned and therefore are not covered by insurance unless proper applications are made to BC Hockey (including Respect in Sport (RIS) - taken by all providers and Criminal Record Checks (CRC) - submitted by everyone) and each team has received permission via an approved Special Event application.

10.4 CRIMINAL RECORD CHECK/SCREENING PROCESS

All adults (18 years and older) in the Association must have a Criminal Record Check (CRC), including a vulnerable sector search, if working directly with athletes as well as any on ice helpers over the age of 15. [Board members, Division Coordinators, Coaches, Officials, HCSP, etc.]

CRC's must be renewed every year.

Past Due volunteers must provide their CRC by Aug 15 of the new season if they want to be allowed to volunteer.

New volunteers must supply proof of application by Sep 30 of the new season if they want to be allowed to volunteer and must have the actual CRC submitted no later than Dec 15.

Applicants must request a CRC online or manually through the Justice Ministry [See the Safety Tab, CRC button – there is a link and an Access Code for making application or a Reference Number for anyone wishing to submit a manual application]

Completed eCRC records will be provided directly to the Association through the Risk Manager via an email response from the Justice Ministry.

The Risk Manager is solely responsible for the receipt, tracking, confidential handling and expiry notification of all Criminal Record Checks.

In certain cases a more thorough check may be required, including, but not limited to, a Vulnerable Persons Check and/or to be fingerprinted for screening.

The Risk Manager may request that an applicant fill in a Volunteer Self Disclosure form.

If anyone is convicted of an offense before the term is up for their CRC submission, they must fill in a Volunteer Self-disclosure form.

The Risk Manager will review the disclosure form information as it relates to the guidelines listed in section 9.5 with two other board members, chosen by the Risk Manager - to determine if the volunteer is cleared to work within the SCMHA and report out to the Board on the decision. At no time will the volunteers name be disclosed to anyone other than the Risk Manager.

All New Volunteers must supply proof of application by Sept 30th and have CRC in Risk managers hands by DEC 15th

Additional Copies of CRC's can be obtained from the Justice Ministry by the applicant and shared with other organizations.

If a CRC results in a negative result, the Risk Manager, President and Vice President will review the volunteer's eligibility to continue volunteering in the Association.

The safety person should avoid treating injuries out of sight of others. Use the “Two Deep Method” supervision system.

11.2 FEMALE TEAMS

SCMHA recommends that when using the “Two-Deep Method” with female hockey teams, there shall be two (2) female supervisors with the players where possible.

If not possible there may be one (1) male and one (1) female supervisor. The male supervisor however, would not enter the dressing room but would be within hearing distance to protect supervisors or players.

The door shall be left slightly ajar for the purpose of facilitating the listening and the dressing room will be deemed a Co-ed Dressing Room

Please refer to the BC Hockey Co-ed Dressing Room Policy for dressing room dress codes on Co-ed teams.

We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently.

In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players.

As players get older, the coach may in his or her discretion discourage parents from a locker room.

In general, parents should not enter the dressing room if the players undress to less than shorts and t shirts for co-ed dressing rooms and shorts for all boys dressing rooms.

11.8 CO-ED DRESSING ROOM POLICY
