

## CODE OF CONDUCT/FAIR PLAY CODE – PLAYERS

*As a team, we have a shared responsibility to create a safe, inclusive, and respectful environment for everyone who participates in the sport. This code of conduct outlines our expectations for behavior, both on and off the ice, and serves as a guide for upholding the values of teamwork, sportsmanship, and integrity that define our hockey community. Let's work together to make this season a positive and enjoyable experience for all.*

As a member of the Blues, I promise to abide by the following:

1. Always play by the rules of the game and in the spirit of hockey.
2. Respect my coaches, officials, teammates, and all parents involved in the game.
3. Show respect to all opposing teams regardless of the score. Remember, winning isn't everything, and losses provide opportunities for improvement.
4. Acknowledge good plays and performances by both teams on the ice, and encourage my teammates.
5. Hockey is a team sport. Passing the puck and playing as a team carries better results than not.
6. We win as a team and we lose as a team. Support my teammates and be accountable for my own performance.
7. Respect my coaches, safety officials, and all referees involved in the game. Accept their decisions without question, especially if you are removed from play due to injury.
8. I understand that concussions are a serious form of head trauma that can have long-term health effects. If I experience any symptoms, I will promptly inform my safety person and comply with all the "Return to Play" protocols to ensure a safe recovery.
9. If I have any concerns or problems with anyone, I will talk to my parent or coach immediately.
10. I will use proper dressing room etiquette at all times. There will be no tolerance for swearing or bullying.
11. I will respect all arenas you visit, and use locker rooms for changing and storage purposes only. Remember that you represent your team and your community.
12. When travelling as a team on the ferry, I will always be respectful of the ferry and other passengers aboard.
13. I will not engage in any bullying behaviour towards any other individual within the SCMHA, including any social media bullying.
14. I will not use any drugs, alcohol or tobacco during SCMHA activities and ice times.
15. I am aware of and will abide by SCMHA's Social Media policy

I understand that failure to comply with the Code of Conduct will result in loss of ice time and may result in a hearing before the Conduct and Disciplinary Committee.
